

オタサーの姫 X オタサーの姫

A woman's worst enemy is another woman.

Then, who is her truest ally?

Queen bee X Queen bee

Ever since
I was a kid,
there were
always more
boys around
me than girls.

I realized
I became
a so-called
"otaku girl."

One
day...

I've
always liked
stuff
like anime,
manga, and
videogames.

And, before
I knew it...

People started calling me the
"Queen Bee of the nerd hive."

So what?

Well, if that's what they think,
then that's who I'm going to be.
And I'm going to make sure to enjoy it.

Cosplay?

Hehe...

Trust me,
you'll look
great!
A friend of
mine is
a cosplay
photographer,
so I know
what's what.

♡
I'm really
not that
cute at all,
but
thank you!
I'll
definitely
think
about it!
♡

♡
Don't force
your kinks
on me, you
creepy
geek!
I bet it's
your friend
that knows
what's what,
not you!
Don't be so
pretentious!

Ugh!
It's a
woman.

Nice to
meet you
too!
Oh wow,
your skin
is, like,
so soft!

Hey,
remember
when
I told you
about
cosplay?

Well,
some people
introduced
me to
an actual
cosplayer.

Nice to
meet you!

You're
also
quite cute.

Oh, it's
really
not.

But
thank you
for the
compliment!

Smiles

All

Clench

Who
does
she
think
she is!?

Excuse
me?
Quite
cute!?

I can't stand...

...this girl.

And my hunch proved to be true.

Like hell
you don't!
I know you
gave it to
that bitch.

Ah, sorry.
I don't
have that
item
anymore.

I told you,
she's
a real cutie.

Startled

Do you
need one
right now?
I'm
a little
busy.

Before
she came
around,
you
would've
responded
right away.

Well,
the other
one isn't half
bad either,
but she
kinda lacks...
sex appeal.

You're
right!
Plus,
she kinda
acts a bit
spoiled.

She's so...
chaste,
but
her cosplay
is so
revealing.
It's just
irresistible!

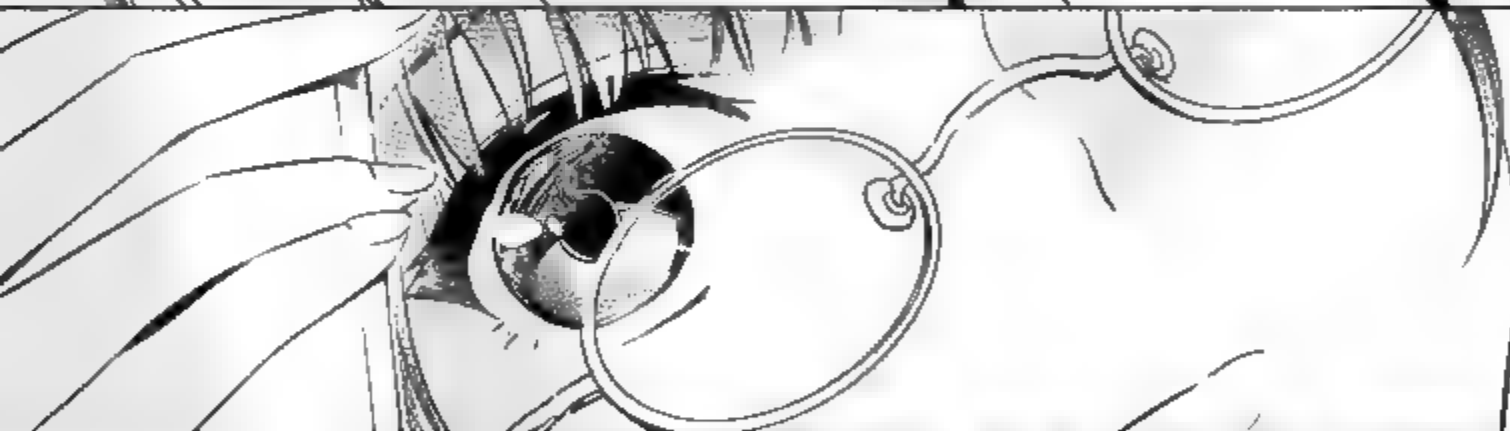

What are
you doing
there?

This is...

...My place, my throne!

I don't
feel like
going,
I'll just
ignore
this text...

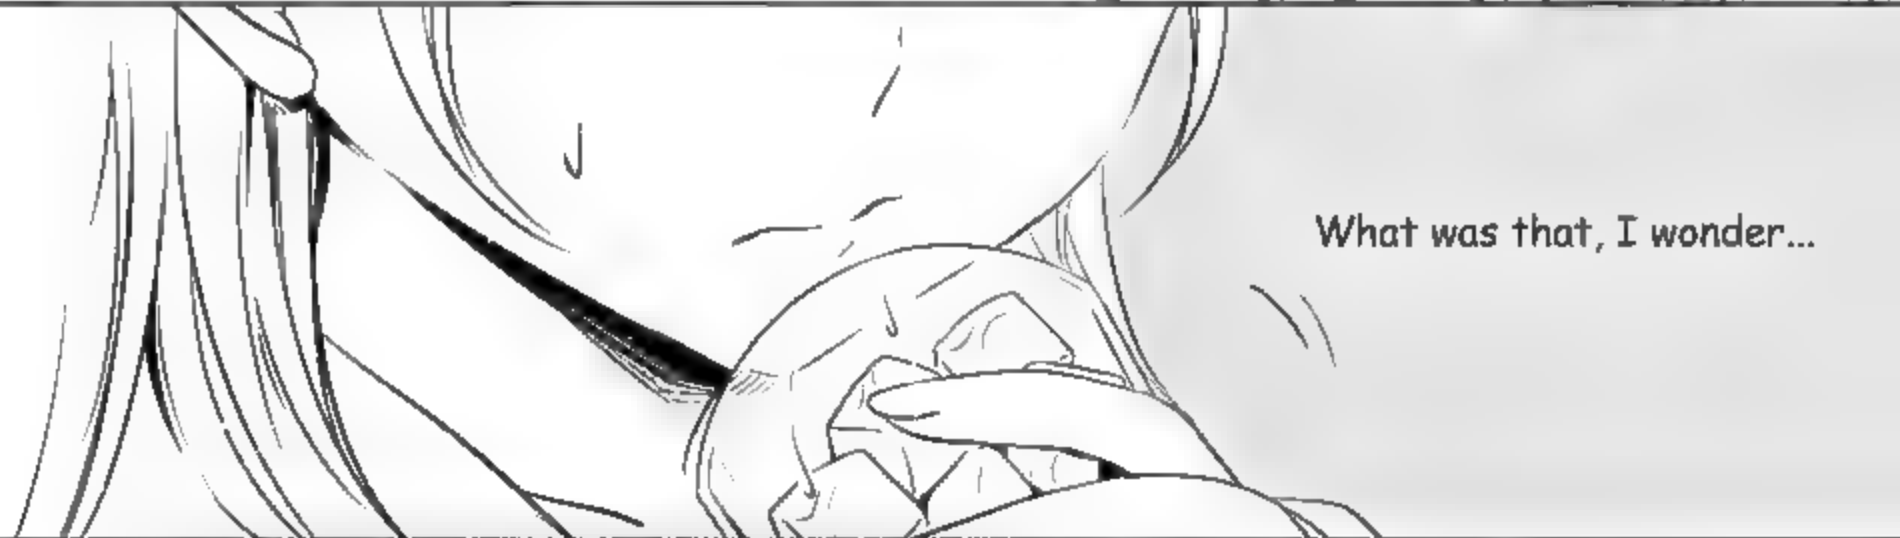

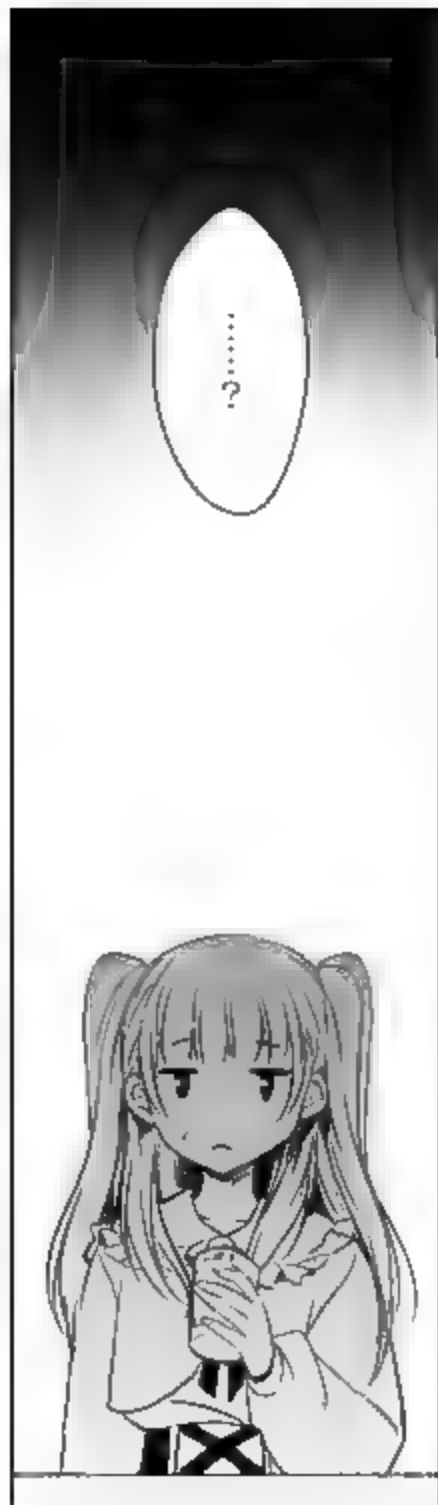

So the rumored popular writer from a big-shot circle is *that* guy, huh?

Looks pretty decent for an otaku.

And the one next to him has to be you... Are you after him too?

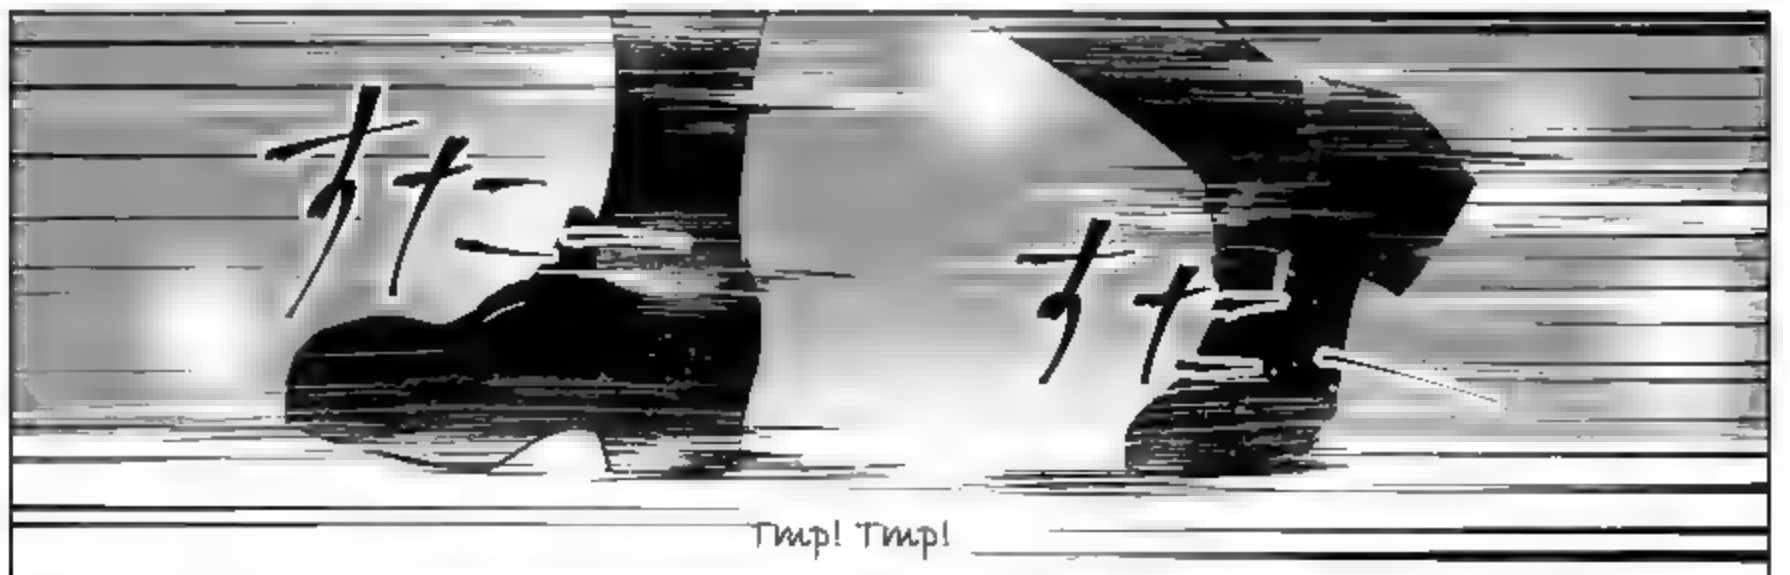

Hm?

What was that, I wonder...

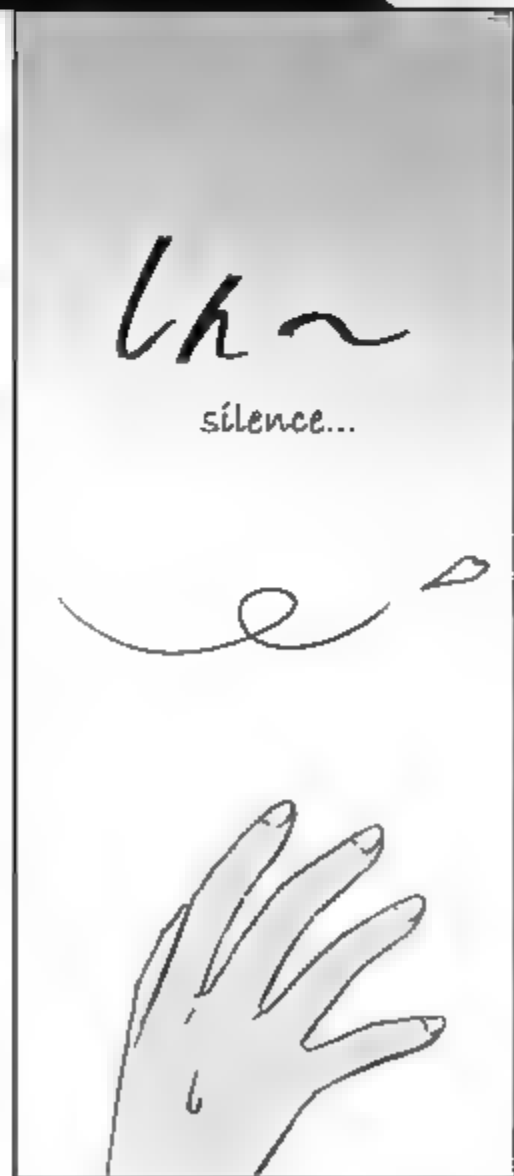

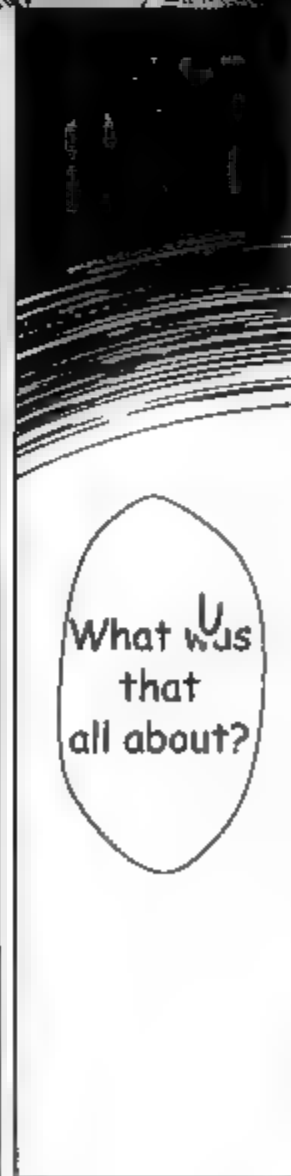

That strange feeling I had when our eyes met keeps coming back.

What
are you
doing?!
Let me go!

Wait!!

All right,
suit
yourself!
I'm
going home.

Whatever.
I did it on
a whim,
that's all.

Fwapp!

No
way!
The
last
train...

Wait
a minute!

...Suit yourself.

Okay, I'll take a shower first.

はあ Pheu

I'm a total creep...

But bringing her to a love hotel? That's basically what that guy was trying to do.

...What am I doing?

Why did I have to save her? It's not like I owe her or something... I'm just being meddlesome.

You know,
it's rude
to point
and laugh!

WAHAHA

Ahahahah!
Your face!
Without
makeup!

Bahahaha!
Where did
your
eyebrows
go!?

I'm done

I'm
turning
off
the light.

I took
a shower
as well.

Don't laugh
through
your nose
at me!
It's more
than rude!

Bfft...
Bwah-hm..
Mmph!

Hissss!

I had a feeling that something was wrong when he touched my thigh under the table...

He really wanted to get me alone.

I didn't know what to do.

That's why, it might sound dumb...

But it was like you came to my rescue...

Hey, don't get the wrong idea. I did it for no reason.

You know... I actually can't stand you.

What a coincidence, I hate your guts too.

Even more,
I would've
hated
myself
if I had
left you
there.

But...

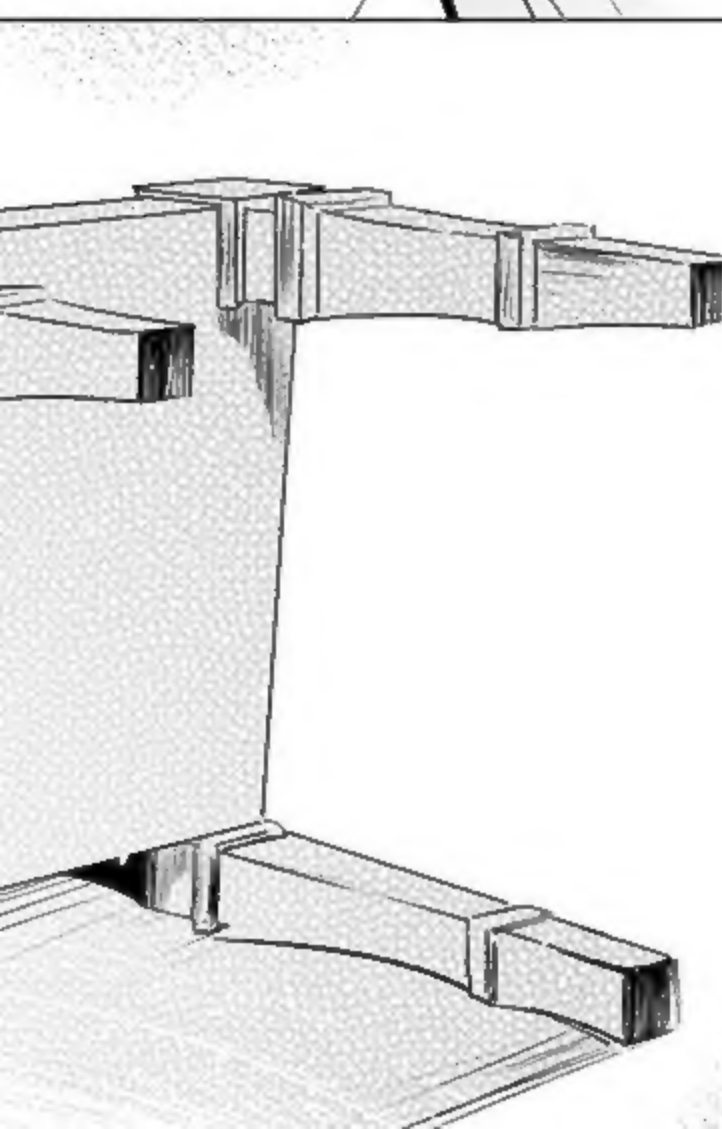

I see...

After all,
I really
hate you,
remember?

And a woman's truest ally is also another woman.

Sometimes, a comrade-in-arms.
Sometimes, an accomplice.

Every time, it's one or another among countless possible relationships.

This is...

...what a woman is to a woman.
